Week 3

Brent Matthew Lloren
10/27/2026

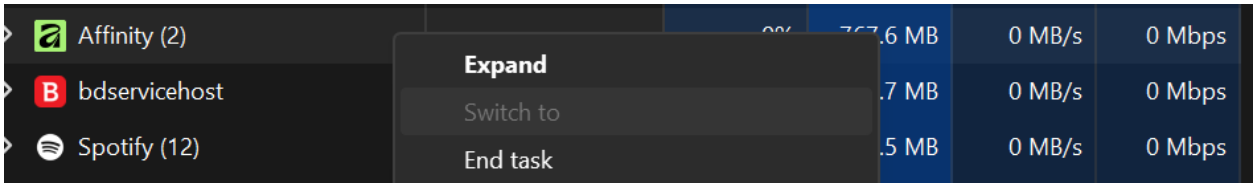

Application Issue:

For this activity, I chose Affinity by Canva to simulate an application issue and practice troubleshooting using Task Manager.

Troubleshooting Step:

- Opened Task Manager.
- Located Affinity by Canva in the Processes tab.
- Selected Affinity and clicked End task.
- Reopened Affinity to check if it was working properly.

Resolution:

I successfully closed Affinity using Task Manager. After reopening it, the application worked properly.
